

## Art, Craft, Design Development Group

### Meeting 2

27<sup>th</sup> March, 2015

<b>Agenda:</b>	<b>Documentation/Discussion:</b>
Rationale of new Junior Cycle Art, Craft, Design specification	The group were introduced to the process of creating a rationale for the new Junior Cycle Art, Craft, Design specification. The group split into three sub-groups in order to progress this work and then afterwards, met again as the full group and combined their findings and discussed them.
Aims of new Junior Cycle Art, Craft, Design specification	The group briefly looked at the aims a new Junior Cycle specification could have. This work will be progressed at the next meeting.
Strands and Elements of new Junior Cycle Art, Craft, Design specification	The Development Group held an initial discussion about Strands and Elements.
Student Voice workshop	The team involved in the Student Voice initiative presented to the Development Group on their work to date, emphasising that Art, Craft, Design is the first specification to actively begin consulting students on Student Voice from the start.
The next meeting of the Art, Craft, Design Development Group is scheduled for Thursday, 23 <sup>rd</sup> April.
