

Mo Scéal: Moving from Preschool to Primary

Documentation request

Introduction

The NCCA has worked with preschools and primary schools to develop templates called *Mo Scéal: Moving from Preschool to Primary* to share information on children's learning and development as they move from preschool to primary. If you would like to request these for the children enrolled in your school, you can use this form.

Upon confirmation of enrolment from each child's parent/guardian, the primary school can forward the completed form to the relevant preschool manager or designated person for all the children coming from that preschool.
