

Leaving Certificate Biology

Development Group Meeting #10

12/02/2021

| Agenda Item | Notes |
|---|--|
| Minutes and Governance | Previous minutes agreed. No declarations of conflicts of interest. Matters arising addressed. |
| Consideration of the cross-cutting themes | The group members agreed three cross-cutting themes <i>Technology, Sustainability</i> and <i>Health</i> to provide contexts for the study of the strands. These themes act as lenses through which students explore the application of knowledge from biology. |
| Review and Progression of Strand 3 – The Structure and Processes of Life | The minimum requirements for the gathering of Primary data were reviewed in relation to Key Skills and agency. Strand 3 was presented for refinement for a second time. |
| Next steps | Next Meeting 4th March 2021 The chair reflected on the work done and thanked the members for their attendance and contributions. The re-drafted strand will be uploaded as a working document in advance of the next meeting. |
