

## Leaving Certificate Physics

### Development Group Meeting #12 Short Description

23/04/2021

Agenda Item	Notes
<b>Minutes and Governance</b>	Previous minutes agreed. No declarations of conflicts of interest. Matters arising addressed.
<b>Feedback from the draft specification</b>	Feedback on the draft specification was shared with the group, with a number of issues discussed including: <ul style="list-style-type: none"><li>• The importance of the use of the term 'model' and its central role in physics learning</li><li>• The importance of an appropriate amount of research based LOs throughout the spec to emphasise the value placed on the practice of research, as set out in the unifying strand</li><li>• How learning outcomes can serve to make contexts from the crosscutting themes explicit</li></ul>
<b>Assessment</b>	Group members had an opportunity to share ideas on the coursework assessment component. No decisions were made.
<b>Next steps</b>	<b>Next Meeting</b> 14 <sup>th</sup> May 2021 The chair reflected on the work done and thanked the members for their attendance and contributions.
