

LC Climate Action and Sustainable Development	Development Group meeting #4: 12.12.22
Agenda item	Short description
Review of the evolving aim and objectives, rationale and purpose	Notes
	The group continued discussion, initiated in meeting #1, on the aim/objectives and rationale/ purpose of senior cycle Climate Action and Sustainable Development. The nature of action, the balance between climate action and sustainable development and the importance of evidence-based action were considered as part of the discussion.
Towards an articulation of structure	The group continued the discussion, initiated in meeting #2, on the evolving structure of the subject.
Next steps	Next Meeting: Friday, 20 th January 2023. The chair reflected on the work of the meeting and thanked the members for their attendance and contributions.
