

Accounting	Development Group Meeting 11, 1 st of May 2025 Short Description
Agenda Item	Notes
Welcome and Updates from Chair	The Chair welcomed the members of the Development group to the meeting.
Declarations, Minutes and Matters Arising	There were no declarations of interest. The Minutes of the previous meeting were approved and there were no matters arising.
Insights from Consultation and Review of Draft Strands	The EO shared a detailed account of the information gathered from the consultation and areas that would need to be addressed based on the feedback. The availability of the raw data from the consultation was discussed and the process of data collection and sharing was outlined. Some discussion took place regarding the consultation on the draft specification and the curriculum development process. The group reviewed the redrafts of strand one and two considering the consultation feedback. The group will work on finalising strand three and four at the next meeting.
Additional Assessment Component	Revised text for the AAC was reviewed by the group and discussed based on the consultation feedback. This will be finalised for the next meeting.
AOB and Next steps	The group will meet on 14 th May 2025 to finalise the specification before it proceeds to Board for discussion and to Council for approval.
