

<b>LC Physics and Chemistry</b>	<b>Development Group meeting #7 &amp; 8: 13&amp;14.05.25</b>
	<b>Short description</b>
<b>Agenda item</b>	<b>Notes</b>
<b>Draft strands of study</b>	The group reviewed four draft strands and offered suggestions for refinement, which included a greater emphasis on fundamental learning within each strand and including more opportunities to engage with both research and experiential investigation and real-life applications. Suggestions to rename the draft strands to show the interconnected nature of matter and energy within physics and chemistry.
<b>Assessment</b>	The group considered the nature and purpose of assessment with feedback from this discussion informing future discussions on assessment.
<b>Other sections of the draft specification</b>	The group reviewed draft sections of the specification including; Teaching for Student Learning, Continuity and Progression and Key Competencies. Minor edits were suggested for the next iterations.
<b>Next steps</b>	<p>Next Meeting: Tuesday September 2<sup>nd</sup> 2025</p> <p>The Chair reflected on the work of the meeting and thanked the members for their attendance and contributions.</p>
