

Mathematics	Development Group Meeting #13	13 th November 2025
	Short Description	
Agenda Item	Notes	
Minutes, Governance	The DG 12 draft minutes and short description to be re-edited to better reflect the meeting discussions. No conflicts of interest declared.	
Updates	The IMTA nominee on the group has changed. The outgoing nominee was thanked for their contributions and the new nominee was welcomed to the group.	
AAC discussion: Formulating the basis of a proposal for the BSC on the DG's case for AACs	<p>The entire meeting was given over to discussions relating to the AAC. Draft materials were reviewed to aid discussion.</p> <p>It was agreed that</p> <ul style="list-style-type: none"> ○ A 2-part AAC is needed for this subject ○ The breakdown in weighting for each part is to be decided. Both parts will be completed on the same day towards the end of 5th year: partially to mitigate against inappropriate use of AI, but also as a controlled environment is considered most equitable ○ There is broad agreement on which learning outcomes are assessed, but refinement is needed, 	
Next steps	<p>The Chair thanked members for their attendance and active engagement in the meeting. The DG was requested to feed back through a template on the current specification in reasonable time before the next meetings.</p> <p>Next Meetings: Mon 8th and Tue 9th December</p>
