

LCVP Link Modules	Development Group Meeting 2, April 12 th 2024. Short Description
Agenda Item	Notes
Governance	No declarations or conflicts of interest declared.
Background Paper and Brief	The Executive gave an overview of the Background Paper. The Development Group examined the issues for consideration and the international jurisdictions outlined in the paper. Discussions included widening the appeal, meaningful work experiences, re-framing the Link Modules towards career development and addressing some issues of TY overlap. Discussions on international jurisdictions noted a strong emphasis on reflective practice, community engagement, project-based work and future destinations for life.
The future of work	The future work stimulus promoted conversations on the value of transversal skills and how difficult it can be to assess or develop optimism, critical thinking and similar skills.
Rationale, Aims, Continuity and Progression	A first draft was reviewed and edits were suggested in areas including sustainability, world of work and career development.
Next steps	The chair reflected on the work completed to date and thanked members for their attendance and contributions. Next meeting: May 22 nd , 2024.
