

Senior Cycle Technology	Development Group Meeting 3 25 November 2025 Short Description
Agenda Item	Notes
Welcome by the Chair, minutes of the last meetings	The minutes of the last meeting were discussed and adopted.
Updates	The consultation on the draft DCG specification is currently underway. It includes school visits, a public consultation event, and an online submissions process. The AAC guidelines for LC Construction Technology and LC Engineering will be published soon.
BGP Consultation Feedback	Insights from the recent consultation on the Background Paper for the review of LC Technology were shared with the group. These insights will inform the work of the Development Group.
Draft Rationale, Aims, Continuity and Progression	Members provided suggestions to improve the draft Rationale, Aims, and Continuity and Progression section of the specification.
Development of strands of study/areas of learning	Members discussed potential areas of learning and strands of study for the redeveloped subject. Further work on these areas of learning and strands of study will take place at the next meeting.
Next steps and next meeting	<p>The chair reflected on the work done and thanked the members for their attendance and contributions.</p> <p>Next Meeting: 08 January 2026</p>
